# Columbia County Fair Baggo Tournament Rules

## Rules:

1. Two teams of 2 players each (doubles) shall play the game
2. Boards are placed 20 feet apart from front edge to front edge
3. Team partners face each other from opposite boards
4. Play starts at either board after a coin toss or simple agreement on choice of side and first toss
5. Each team plays with 4 bags and opponents alternate tosses until all 8 bags are thrown
6. No moving bags from playing area until all bags are scored
7. Bags that bounce on the ground then on the board will not be scored nor will any bag touching the ground
8. The round is then scored
9. Scoring:
  - A. First team to 21 points or over, wins the game once both teams have completed their round
  - B. 3 points for each bag **entirely** in the hole (Baggo) and 1 point for each bag on the board (Ace)
  - C. The score for each round is the difference in team totals. For example, after one round of 8 bags played:  
  
Team #1 with 1 bag in the hole = 3 points  
Team #2 with 2 bags on the board = 2 points  
So, the score after round 1 is Team #1 = 1 point
10. The last team to score on the previous round tosses first the next round
11. Individuals may play on only one team
