

## **Poultry Testing**

Casey Hughes will be doing testing August 12 at Story Arena from 8:00 am to 10:00 am. Cost will be \$1.50 per bird and this will include leg band, test, and 90 day health papers.

You must have these health papers to exhibit at the county fair. Make sure you drop off health papers at the fair office when you bring your poultry on check-in day.
