

SEW WITH COTTON CONTEST

Columbia County Farm Bureau will sponsor the Sew With Cotton competition during the Columbia County Fair & Livestock Show. One Junior and one senior with the most points will each win a new Singer sewing machine. The clothing must be made of 100% cotton. Trims, thread and tapes must be cotton-blends. This competition helps to educate people in the use of cotton fabrics. Entries must be entered online in the Clothing Department. The winners will be announced on Monday afternoon when the judges have finished judging.
