

# COLUMBIA COUNTY FAIR AND LIVESTOCK SHOW

**Commercial Exhibit Booth Division  
2109 N. Dudney  
Magnolia, AR 71753**

The Columbia County Fair and Livestock Show are accepting applications for Commercial Booth space at this year's fair. We would like for our major industries to take the time to set up a display in our commercial exhibit building. We feel that, especially now, it's important to showcase all the good things we have here in our county and how your company plays an important role.

Each booth rents for \$150.00 for the entire week. Please don't take down your booth until Sunday after the fair. Having someone in the booth is not mandatory, and we do provide security after hours. Booths are approximately 11 x 13 and if you need more than one it can be arranged to be side by side doubling your space. You can set your booth up on Saturday and Sunday prior to fair from 9am – 3pm. **We do not supply tables or chairs.**

Please return this form by Monday 2 weeks before the fair begins to indicate that your company will be able to have a booth this year. We thank you very much in advance.

Questions? Call Neca at 870-562-9243.
